Those taking orders for a later delivery, non-profits and those who DO NOT go from place to place are NOT REQUIRED to secure this license, but some still choose to secure the peddlers license. In addition, depending on the particular type of product, there might be an additional license required, for example, for fireworks contact the Duluth Fire Department, for food contact the MN Department of Health. Also, depending on the product, it might be subject to city of Duluth Sales Tax.

 - You CANNOT be on the Corps of Engineers' property adjacent to the Aerial Lift Bridge.
 - If on public streets or sidewalks you CANNOT interfere with either vehicular or pedestrian traffic, that is, you CANNOT be set-up in one location and "plug" the meter by going beyond the maximum time limit allowed, you must continue to move from place to place. (Note: The whole bricked area in Canal Park, boarded by Canal Park Drive, Buchanan Street and Lake Avenue is a public area, and you CANNOT be set-up, you must keep moving.)
 - You CANNOT peddle in any skywalk or public park and trail.
- ❖ If there is an approved special event or park permit for an area (i.e. Sidewalk Days, Grandma's Marathon, Bayfront, etc.) a person/business interested in selling items must get permission from the holder of the approved special event permit to sell in the special events permit area.

- ❖ Operators are only allowed in the parking lots during park open hours of 6:00 a.m. to 10:00 p.m.
- ❖ Mobile food cart or mobile food vehicle operators will be assessed for all damages or extra trash cleanup within the park generated by their operation.
